The world's first SSD camcorder, more reliable live memories of your life.

Memories that bring you closer together are exquisitely captured in Full HD detailed by Samsung H series camcorders. As the world's first SSD (Solid State Drive) camcorders, they represent the very essence of technological excellence and immaculate imaging. With more memory, longer battery life, and an SSD lifetime of over 130 years, the memories you make can be treasured forever.

- Perfect Portrait System
- Digital Image Stabilization

$149.99

Whether you're indoors or out, snapping a landscape or friends around a table, the 24 mm ultra wide angle lens gives you a wider shooting range from a shorter distance. Easily capture images of beautiful landscapes and entire buildings—not something you can do with a standard 35 mm. The 24 mm ultra wide angle is a perfect marriage of advanced versatility with the convenience of a stylish, compact camera.

SAMSUNG HZ10
